The Schools Out program engages children in physical activities, learning through games and projects and teamwork in arts and crafts. Children are encouraged to explore who they are and what they can achieve. Our caring staff create a partnership with parents by working together to help children grow up healthy, happy and strong.

1. Each participant needs a Hazleton YMCA/YWCA youth membership
2. Must completed and return registration paperwork
3. Children must attend at least 3 days a week
